

KASIKORNBANK Sustainability Bond

KASIKORNBANK operates business in line with the principle of a Bank of Sustainability, under good corporate governance and appropriate risk management. We strive to balance economic, social, and environmental dimensions, ensuring maximum benefit for all stakeholders and paving the way for sustainable growth. The Bank intends to empower every customer's life and business. The Bank aims to be the most innovative, proactive, and customer centric financial institution, delivering world class financial services and sustainable value for all stakeholders by harmoniously combining technology and talent.

KASIKORNBANK priced its initial USD 100 million Sustainable bond on the 8th October 2018. The transaction received many firsts including; First Sustainability bond from a Thai issuer, First Sustainability bond from ASEAN financial institutions, First Thai issuer accessing the Formosa market and First Sustainability bond in the Formosa market.

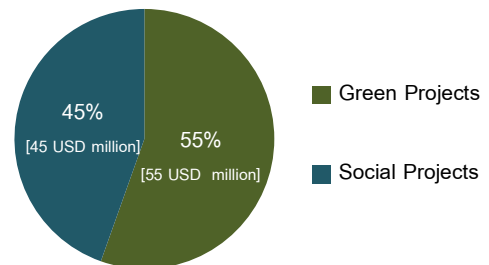

Use of Proceeds

100% of the net proceeds of the bond will be used exclusively to finance or re-finance eligible green or social projects, in part or wholly as described below, and information on green and social project will be available for investors.

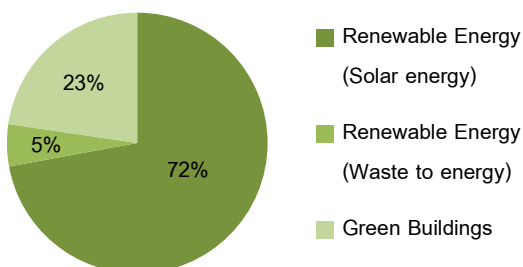

Allocation of Proceeds

As of the end of September 2022, the entire amount of proceeds from the Sustainability Bond issued in October 2018 (USD 100 million), was allocated in accordance with KASIKORNBANK's Sustainability Bond Framework. We allocated the fund on renewable energy (solar energy and waste to energy) and green buildings for green projects. Furthermore, we also allocated the fund on employment generation and access to essential services for social projects.
